

Installation de Mathematica pour Enseignants, Chercheurs et Doctorants

1. Allez : <https://go.epfl.ch/wolfram>

The image shows the Wolfram sign-in page. At the top is the Wolfram logo (a red starburst) followed by the word "WOLFRAM" in bold. Below this is a white box with a red border containing the text "Sign In with Your Wolfram ID". There are two input fields: "Email" and "Password". Below the password field is a checkbox labeled "Remember me" which is checked. At the bottom of the box is a red "Sign in" button and a link "Forgot your password?". Below the box is the text "Don't have a Wolfram ID? [Create one.](#)"

2. Loguez-vous avec votre Wolfram ID si vous en avez déjà un ou cliquez sur « *Don't have a Wolfram ID? Create one* » pour en créer un (**votre email EPFL sera votre Wolfram ID**). **Attention de ne pas introduire le mot de passe Gaspar mais un autre de votre choix !**

Une fois que vous avez accédé au formulaire en ligne, compléter les informations demandées en sélectionnant uniquement une demande (**Single Machine**) dans « Product », puis cliquer sur « Submit »

3. Le contenu de l'email sera le suivant:

Dear XXX ,

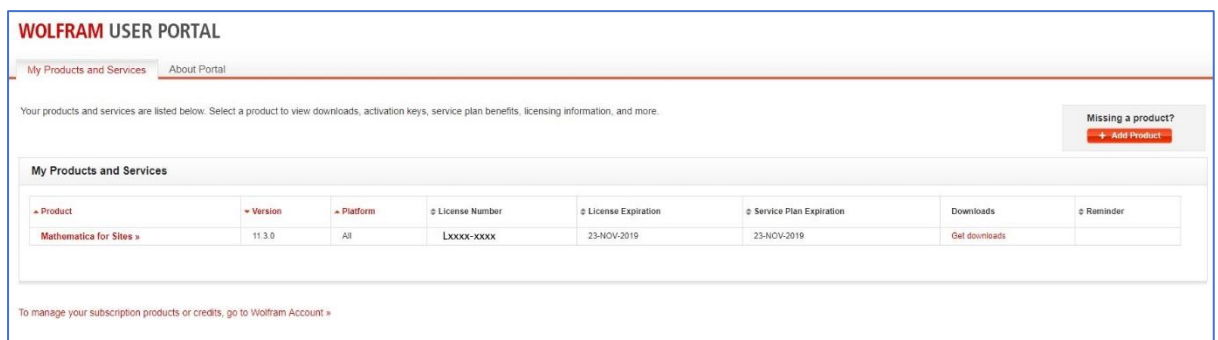

Your request for an activation key for Mathematica for Sites has been submitted for approval to your organization's Mathematica site license administrator. You have been temporarily assigned the following activation key for Mathematica for Sites:

Activation Key: XXXX
 Product: Mathematica for Sites 11.3.0.0
 Platform: Windows

This key will allow you to use the product until XX-XX-19. If your request is approved, this activation key will automatically be extended. To download your product from the Wolfram User Portal, go to: <https://user.wolfram.com/portal/mySiteUserProduct.html>....

If you do not have a Wolfram ID to sign in to the Wolfram User Portal, you can create one. Please use [email](#) EPFL as your Wolfram ID to access your product download.

4. Cliquez sur le lien envoyé et loguez-vous avec votre identifiant et mot de passe Wolfram
5. Une fois effectué, vous allez vous retrouver dans votre portail personnel Wolfram :

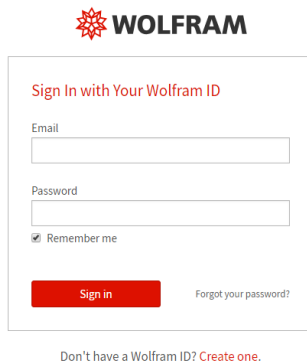

Cliquer sur « *Mathematica for sites* » pour accéder au volet *My Products>Product Summary*

6. Trois tableaux apparaissent: *Product Information*, *Activation Keys* et *Downloads*
7. Vous trouverez votre clef d'activation dans *Activation Keys* et vos fichiers d'installation (Macintosh, Windows, Linux) dans *Downloads*.
8. Cliquez sur le bouton rouge *Download* pour télécharger Mathematica selon la plateforme qui vous intéresse.
9. Une fois le téléchargement effectué, lancer l'installation
10. Puis utiliser votre clef d'activation pour activer votre licence Mathematica.

Installation of Mathematica for Students, Scientific Collaborators and PhD Students

1. Go to: <https://go.epfl.ch/wolfram>

The image shows the Wolfram sign-in page. At the top is the Wolfram logo (a red starburst) followed by the word "WOLFRAM" in bold. Below this is the heading "Sign In with Your Wolfram ID". There are two input fields: "Email" and "Password". Below the password field is a checked checkbox labeled "Remember me". At the bottom left is a red "Sign in" button, and at the bottom right is a link "Forgot your password?". Below the form is the text "Don't have a Wolfram ID? [Create one.](#)"

2. Log in with your Wolfram ID if you already have one or else click on “Don’t have a Wolfram ID? Create one” in order to create one (your **EPFL email address** will be your Wolfram ID). **Warning: Do not use your Gaspar password but set another one for this application!**

Once you obtain the online form, please fill out the requested information by selecting only the **(Single Machine)** option in “Product”, then click on “Submit”

An activation key valid for 10 days will be automatically generated and sent to you by e-mail. (The administrators have 10 days to approve your request.) You can either check your e-mails or directly click on the “Product Summary page” to access the download and installation (point 8.0 of the procedure).

3. The content of the e-mail will be as follows:

Dear XXX ,

Your request for an activation key for Mathematica for Sites has been submitted for approval to your organization's Mathematica site license administrator. You have been temporarily assigned the following activation key for Mathematica for Sites:

Activation Key: XXXX

Product: Mathematica for Sites 11.3.0.0

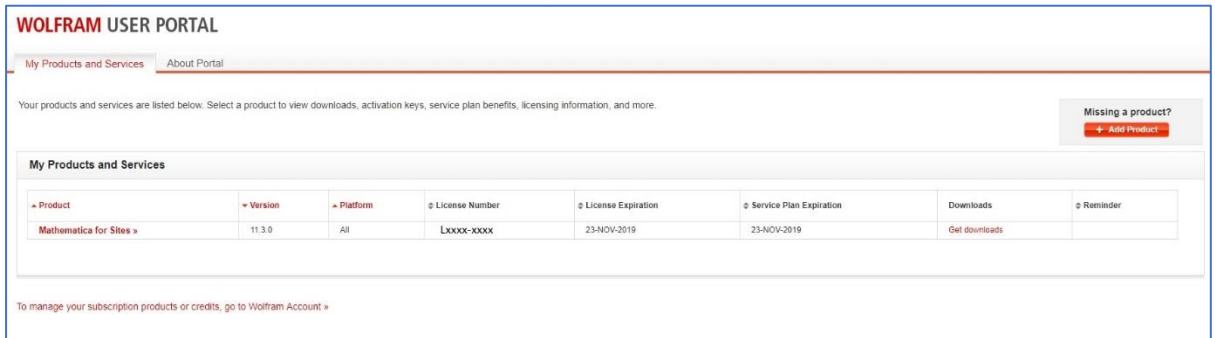

Platform: Windows

This key will allow you to use the product until XX-XX-19. If your request is approved, this activation key will automatically be extended. To download your product from the Wolfram User Portal, go to: <https://user.wolfram.com/portal/mySiteUserProduct.html>....

If you do not have a Wolfram ID to sign in to the Wolfram User Portal, you can create one. Please use email as your Wolfram ID to access your product download.

4. Click on the link and log in with your username and Wolfram password:
5. Then, you will find yourself on your personal Wolfram User Portal

Click on “Mathematica for sites” in order to access the tab My Products > Product Summary

6. Three tables appear: Product Information, Activation Keys and Downloads
7. You will find your activation key in Activation Keys and the installation files (Macintosh, Windows, Linux) under “Downloads”
8. Click on the red “Download button” to download Mathematica for your chosen operating system.
9. Once the download is complete, start the installation
10. Finally, use your activation key to activate your Mathematica licence.
